

The Asexual Spectrum

Many asexuals identify with two orientations: a romantic and a sexual one. According to the Asexual Visibility and Education Network (AVEN), an asexual's romantic orientation determines "which gender(s), if any, they are inclined to form romantic relationships with." There are also individuals in the asexual community who identify in the gray area between asexuality and sexuality.*

*Note that this infographic is a limited and not definitive model of the asexual spectrum. Not all asexuals will identify or agree with the definitions in this graphic.
